Facilities such as public access, picnic areas, and campgrounds are for your enjoyment. Use them thoughtfully.

Management of fish and wildlife resources is being conducted in cooperation with the Texas Parks and Wildlife Department.

Swimming areas are unsupervised and do not have lifeguards. All activities are at your own risk.

Information on areas where hunting is permitted may be obtained at the Lavon Lake office.

This map is furnished as general information only and is not to be used for locating property lines and other such matters.
